Grace Auditorium

CONFERENCES | EXHIBITIONS | EVENTS

The Grace Auditorium is an impressive, climate controlled purpose-built room designed to accommodate up to 650 delegates theatre, and 300 cabaret. Flexible seating layouts, a large raised stage and no pillars, provides a blank canvas suitable for showcasing any exhibition, corporate event or celebration. Located on the ground floor, the auditorium offers easy access for guests and loading.

The auditorium is equipped with an impressive array of state-of-the-art, in-house sound, lighting and projection systems with capability of expansion if your function demands more. Due to the high specification of the lighting, sound and AV systems, we find many of our clients simply arrive, set and run. This saves significant time, human energy and cost. Of course if you need more, we can deliver more, the only limit being your imagination!

650

300

"On behalf of the Government Communication Service, I wanted to thank you for everything you did for us this week. Your staff were so welcoming, accommodating and knowledgeable. The conference was very successful which is in no small part down to your hosting."

D. Smith, **Cabinet Office**

"You have a lovely, friendly, down-to-earth, yet professional environment. The lunch and everything else was a great contribution to the day...so different to other venues. Thanks so much."

Ms Hinson, NHS Coventry

CRE 8

CRE 8 is the perfect setting for executive meetings, with an emphasis on innovation and productivity, above formality. Suitable for up to 8 delegates, CRE 8 has a variety of special

creativity

features included in the room package such as magnetic walls, comfortable sofa seating, unlimited tea, coffee and soft drinks, and snack bars - both healthy and sugary! The CRE 8

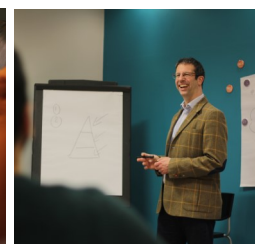

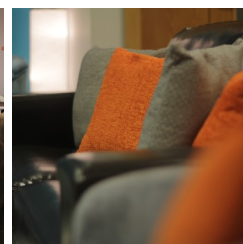

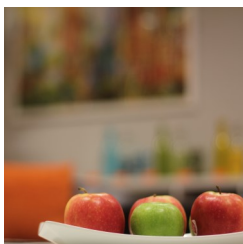

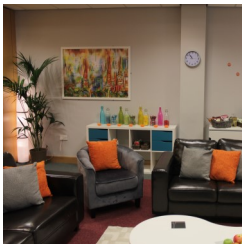

productivity

Room has bright turquoise walls with little bursts of orange in the furniture and décor. The combination of blue and orange provide an environment that not only calms

and provides mental clarity, but also encourages lively discussions and clear decision making. Our bespoke wall art further enhances the stimulation of discussions and inspires creativity. The CRE 8 Room has beautiful plants in to promote rest and boost concentration.

All the features in the room have been carefully considered to produce the optimum environment for creativity and productivity.
